The Good Fight. The Long Haul. That's What We Do.

You've been hurt. It was not your fault. It may be the worst time of your life. You need representation that is equal to the task. You need a trial lawyer—one whose mere presence tells the defense you are willing to go all the way. We are those lawyers.

Bill Brelsford has a proven track record of excellence. Initially recognized to Rising Stars and then Northern California Super Lawyers, Brelsford has tried many different cases with the same result: victory. Whether you have been injured in an auto accident or at the hands of a doctor or in a nursing home, let Brelsford deal with it. He has been singled out as one of the best young trial lawyers in the country.

Joe Androvich is newly recognized to Rising Stars. He has never lost a jury trial. He scored a huge verdict in a case three other law firms turned down as too difficult. Extensive experience in medical issues allows Androvich to prove even the toughest of cases.

R. Parker White, selected to Super Lawyers for 13 years, is a seasoned trial lawyer recognized as one of the finest in America. And he still loves the fight.

John Poswall, recognized to Super Lawyers for 12 years, is a legend of the law whose career spans a half century. His experience and wisdom continue to guide the firm.
